means the website that you are currently using [www.sslresource.com](http://www.sslresource.com) and any possible sub-domains of this site unless expressly excluded by their own terms and conditions.

### **Scope**

This policy applies only to the actions of the SSL Resource Ltd and users with respect to this website. It does not extend to any websites that can be accessed from this website including, but not limited to, any links we may provide to social media websites.

### **Data Collected**

Without limitation, any of the following data may be collected from this website:

name, company name and other details of the company and of its products, job title, profession, contact information such as email addresses and telephone numbers, demographic information such as post code, country, preferences and interests, IP address (automatically collected), web browser type and version (automatically collected), operating system (automatically collected), a list of

URLs starting with a referring site, your activity on this website, and the site you exit to (automatically collected) and any other possible information or data which you may give to us.

### **SSL Resource's use of data**

Any personal data you submit might be held safe maximum of 120 months, except any data concerning of ordered services and solution such as delivering and billing might be deleted only if individually requested.

Unless we are obliged or permitted by law to do so, your data will not be disclosed to third parties except if we shall see that SSL Resource's cooperation companies will need the data in a case to promote SSL Resources products/services. Those cooperation companies in that matter are always mentioned publicly and they won't receive any other data than can be moderately regarded be necessary for the possible contact to provide best possible service to you.

All personal data is stored securely in accordance with the principles of the current law of Data Protection Act.

Any or all of the above data may be required by us from time to time in order to provide you with the best possible service and experience when using our website and/or other services. Specifically, data may be used by us for the following reasons:

internal record keeping, improvement of our products / services, advertisement or other notes via email/phone/mail or other communication channels of promotional materials that you may be interested in, sales, contact for market research purposes which may be done using via any communication channel as mentioned before. Such information may be used to customise or update the website or our services/products.

### **Third Party Websites and Services**

SSL Resource Ltd may employ the services of other parties for dealing with matters that may include, but are not limited to, payment processing, delivery of purchased items, search engine facilities, sales, advertising and marketing. The providers of such services do not have access to certain personal data provided by users of this website.

Any data used by such parties is used only to the extent required by them to perform the services that the SSL Resource requests. SSL Resource takes care that such a parties are following current laws of GBR when processed any data given from us. Any use for other purposes is strictly prohibited.

### **Links to Other Websites**

This website may provide links to other websites. SSL Resource ltd has no control over such websites and is in no way responsible for the content of those websites ever. This policy does not extend to your use of such websites. Users are advised to read the privacy policy or statement of other websites prior to using them.

### **Changes of Business Ownership and Control**

The SSL Resource may expand or reduce our business and this may involve the sale and/or the transfer of control of all or part of the SSL Resource. Data provided by users will, where it is relevant to any part of our business so transferred, be transferred along with that part and the new owner or newly controlling party will, under the terms of this policy, be permitted to use the data for the purposes for which it was originally supplied to us.

In the event that any data submitted by users is to be transferred in such a manner, you will not be contacted in advance and informed of the changes.

### **Controlling use of your data**

Wherever you are required to submit data, you will be given options to restrict our use of that data or prohibit us collecting any data of you as well as have permission to ask us delete any data already collected of you. These may include some or all of the following:

use of data for direct marketing purposes, sharing data with third parties or your right to withhold or adjust information collected of you.

You may access certain areas of the website without providing any data at all. However, to use all features and functions available on the website you may be required to submit certain data.

You have a right to request to see a copy of any personal data collected and stored of you held by SSL Resource. We will provide you with asked data in time and ways as it is placed in current law of Data Protection Act.

### **Security**

Data security is a great importance to the SSL Resource and to protect your data we have put it in place suitable physical, electronic and managerial procedures to safeguard and secure data collected via this website.

### **Cookies**

This webpage is using cookies followed by valid laws.

### **Possible changes**

SSL Resource ltd reserves the right to change this policy as may see it necessary or as it may be required by the law. Any changes will be immediately posted on the website. .
